### The Sunday of Triumphant Entry in Jerusalem of our Lord Jesus Christ

**Sunday - April 17, 2022.** During the Divine Liturgy, the willows, and palm branches have been blessed. We thank Mr. Dumitru Popa who, this year, as in the previous years, has provided the Church with the Willows and Palm Leaves, on the Palm Sunday 2022.

Under the care of Mrs Mary Comboianu, the Ladies' Auxiliary president, seconded by the vice president, Mrs Victoria Rezmerita, **a fish dinner** was offered to all participants, at the end of the Divine Liturgy, in the big hall. A handy help came from the parish council (Mr. Edy Rastian, president, who also served some wine from the bar, and some other members).

Celebrating the Flower's Day – Duminica Florilor, the family of Ms Florica Cataloiu offered the participants some cakes, celebrating also the namesday (onomastica) of all brothers and sisters of our community who bear the names of: Florin, Florea, Florina, Floarea, Florica, Violeta, Viorica, Narcisa, Viorel, Bujor, Crina, Lacramioara, Margareta, Dalia, Camelia, etc

**Thank you** – To all participants at the Palm Sunday Service, the organizers and participants at the traditional fish meal at the Feastday of Palm Sunday, and to all generous donors. **Happy Namesday!**
